Bensinger's Red Card has everything you could want in a book about scandal: moneyed power brokers who take from poor and give to the rich, strong lawmen and women who strive to right the wrongs, and a satisfying take-down in the end. This book provides a strong vote of confidence for the FBI and law enforcement everywhere.

In Red Card, Ken Bensinger explores the case, and the personalities behind it, in vivid detail. There's Chuck Blazer, a high-living soccer dad who ascended to the highest ranks of the sport while creaming millions from its coffers; Jack Warner, a Trinidadian soccer official whose lust for power was matched only by his boundless greed; and the sport's most powerful man, FIFA president Sepp Blatter, who held on to his position at any cost even as soccer rotted from the inside out.
