The term ‘ typology ’ is examined through several definitions, offered from the domains of sociology, marketing, management and events. An analysis of existing event typologies will be offered along with a case study which will be used to suggest an alternative approach to developing a typological framework for the reader to consider so as:

The Routledge Handbook of Events
Team building has always occupied an important place in our Regional Event Management ethos. We know that for our team to be successful, they have to enjoy their jobs and being around their colleagues. This why we think outside the box when we plan group activities and
