The Old Testament is much loved by readers around the world. Yet many people struggle to understand it. For example, have you enjoyed the stories of the Old Testament but wondered about their relevance? Been baffled by the unusual Laws? Skipped books that seemed far removed from your 21st Century life? If you answered 'yes' to any of these questions, then Them, Us & Me is for you! This book offers a fresh approach to helping you read and understand the Old Testament. The first section gives you some simple keys to discover the Old Testament. It teaches you about the cultural world of ancient Israel. Yet it does not end there--it helps you to see how Jesus Christ fulfills the Old Testament and how it can be applied to your life. Armed with this strategy for reading, this book then outlines what the Old Testament is all about. This second section presents an inspiring overview of the major ideas and events of the Old Testament. This is a practical, common sense book designed to

Ancient Greek Beliefs explores the mysteries of the ancient myths and religious beliefs of a great people. The text is divided into three sections, Greek mythology, the ancient Greeks, and conclusions. A brief history and lengthy glossary are included. The book is designed as a basic text for the introduction to ancient Greek mythology and beliefs, and the text muses about the religious lessons we might learn from them. It contains abridged stories of Greek mythology, including the extant Greek plays, and considers portions of the works of the great writers, including Aeschylus, Euripides Hesiod, Homer, Plato, and Sophocles. It opens a comprehensive window into the lives of these great ancient people.
