Southern Politics In State And Nation [EPUB]
The core of Southern political solidarity lies in the white population of the black belt. It is those whites from the plantation areas who live in areas of the highest concentration of the colored population who are most inflexible in their political allegiance and most militant racially, as Professor Key ingeniously shows by an analysis of the elections of 1928 and 1948.

V. O. Key, Jr.—Wikipedia
A fascinating work by political scientist V. O. Key. Purportedly an analysis of southern politics, with a description of some of the colorful figures of the time, it raises a series of hypotheses about the dynamics of politics (e.g what is the role of party competition in terms of policy choices?).
