Spalding Education

Included in this scope and sequence is the introduction of the most frequently used words in English. In the past, these high frequency words have been taught as ' sight words ' - words which need to be recognised as a whole despite being at least partially " decodable " . What really counts as decodable depends on which phoneme grapheme patterns have been taught up to that point. Rather than approach!

from Sounds to Spelling Final

This sample scope and sequence has been designed using the learning framework and processes applied in the 'Unpacking the PDHPE K-10 syllabus' face-to-face workshop and online course. Part of this process includes gathering relevant national, state and local evidence of student behaviour, needs and interests to form a 'big idea'.
