Moving to a new Amish settlement in small-town Colorado was a brave new start for independent-minded quiltmaker Esther Kiem. But helping her reckless relative will really put her special matchmaking skills to the test . . . Mischievous and rebellious, young Ben Kiem is making the wrong kind of name for himself throughout the town of Byler. And even though his sister-in-law, Esther, somehow coaxes him into keeping company with sensible Linda Eicher, Ben can ' t see anything they have in common. Or that he could ever be good enough for someone like her. But Linda ' s down-to-earth nature and unexpected understanding have Ben trying his best to be better, no matter

how challenging. . . Linda couldn't be more surprised when Ben turns out to be caring and helpful, despite his rowdy pranks and bad-news friends. And falling in love with him suddenly seems just right. But when a heartbreaking misunderstanding comes between them, both she and Ben must risk enough to trust, stitch the pieces back together—and dare a forever precious happiness. Praise for Jennifer Beckstrand and Abraham

1970s, and then again in the 1990s with the popularity of the Internet, where millions of people play tournaments online every day. Today, backgammon's following in the UK is huge, with a dedicated British Isles Backgammon Association, and hundreds of face-to-face tournaments taking place across the UK every year. In this book, backgammon expert Chris Bray walks you through the basics of setting up a board, opening strategies, middle and end-game tactics, and tips on when to make key moves. You'll also get to grips with basic probabilities, the doubling cube and the 25% rule. And if you want to take your gaming further, there's plenty of advice to get you started in tournament backgammon, as well as playing online. Suitable for both beginners

highlights the cross-cultural perspective of gender by including a section on diversity in each chapter, as well as weaving diversity issues throughout the text. Highlights of the Fifth Edition Includes more coverage of men and men's issues, striving for a better balance of women's and men's issues. New chapter organization moves the discussion of gender stereotypes to the third chapter to allow it to act as a framework for the book. Examination of implicit stereotyping also has been added. Includes more than 600 new references and 12 updated headline stories, as well as several new "According to the Media" and "According to the Research" boxes.
