HUCKLEBERRY FINN, By Mark Twain, Complete

In Huckleberry Finn, Mark Twain created a character who exemplifies freedom within, and from, American society. Huck lives on the margins of society because, as the son of the town drunk, he is pretty much an orphan. He sleeps where he pleases, provided that nobody chases him off, and he eats when he pleases, provided that he can find a morsel.

Huckleberry Finn Character Analysis in The Adventures of ...

The Adventures of Huckleberry Finn is a story we are all familiar with, but is it always accessible to students? Huck's father comes and goes, but Huck doesn't mind when he is gone. It means he doesn't hit Huck. When Huck is taken in my a kind neighbor, he appreciates everything she is doing for him, but he struggles to remain proper.

The Adventures of Huckleberry Finn Now was the first time that I begun to worry about the men—I reckon I hadn't had time to before. I begun to think how dreadful it was, even for murderers, to be in such a fix.

Adventures of Huckleberry Finn is a novel by Mark Twain, first published in the United Kingdom in December 1884 and in the United States in February 1885. Commonly named among the Great American Novels, the work is among the first in major American literature to be written throughout in vernacular English, characterized by local color regionalism. It is told in the first person by Huckleberry "Huck" Finn, a friend of Tom Sawyer and narrator of two other Twain novels (Tom Sawyer Abroad and Tom Sawyer, Detective). It is a direct sequel to The Adventures of Tom Sawyer.The book is noted for its colorful description of people and places along the Mississippi River. Set in a Southern antebellum society that had ceased to exist about twenty years before the work was published, Adventures of Huckleberry Finn is an often scathing satire on entrenched attitudes, particularly racism.

The classic boyhood adventure tale in a beautiful Deluxe Edition illustrated by Lilli Carre Mark Twain's tale of a boy's picaresque journey down the Mississippi on a raft conveyed the voice and experience of the American frontier as no other work had done before. When Huck escapes from his drunken father and the 'sivilizing' Widow Douglas with the runaway slave Jim, he embarks on a series of adventures that draw him to feuding families and the trickery of the unscrupulous 'Duke' and 'Dauphin'. Beneath the exploits, however, are more serious undercurrents - of slavery, adult control and, above all, of Huck's struggle between his instinctive goodness and the corrupt values of society, which threaten his deep and enduring friendship with Jim. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Referring to "Adventures of Huckleberry Finn," H. L. Mencken noted that his discovery of this classic American novel was "the most stupendous event of my whole life"; Ernest Hemingway declared that "all modern American literature stems from this one book," while T. S. Eliot called Huck "one of the permanent symbolic figures of fiction, not unworthy to take a place with Ulysses, Faust, Don Quixote, Don Juan, Hamlet." The novel's preeminence derives from its wonderfully imaginative re-creation of boyhood adventures along the mighty Mississippi River, its inspired characterization, the author's remarkable ear for dialogue, and the book's understated development of serious underlying themes: "natural" man versus "civilized" society, the evils of slavery, the innate value and dignity of human beings, the stultifying effects of convention, and other topics. But most of all, "Adventures of Huckleberry Finn" is a wonderful story filled with high adventure and unforgettable characters (including the great river itself) that no one who has read it will ever forget. Unabridged Dover (1994) republication of the text of the first American edition, published by Charles L. Webster and Company, New York, 1885. New introductory Note."

A nineteenth-century boy, floating down the Mississippi River on a raft with a runaway slave, becomes involved with a feuding family, two scoundrels pretending to be royalty, and Tom Sawyer's aunt, who mistakes him for Tom.

Recounts the adventures of a young boy and an escaped slave as they travel down the Mississippi River on a raft.

Running away seemed like a good idea at the time... The Widow Douglas is doing her best to civilise Huckleberry Finn, but it just isn't working. Wearing clean clothes, going to school, and having a hot meal waiting for him when he gets home are becoming boring and tedious. So, to make his life more interesting Huck, as he is normally called, decides to join Tom Sawyer's gang of outlaws. However, when they fail to be the vicious ransom specialists they claim to be, Huck decides to forget about excitement and tries to give his civilised life another go. He attends school and minds his own business... for a while. After his father turns up out of the blue and starts causing trouble, Huck decides he's had enough of normal life and sets sail on his raft for a secluded island. When he arrives he finds he's not the only one who has decided to live there. On the island, he encounters thieves, a flood that provides a nice surprise, con men, violent shootouts, family feuds and much more. After so much adventure, Huckleberry Finn ends up wishing he was back at home, tucked up in bed after a hot meal. But does this wish come true, or do his adventures continue?

In The Adventures of Huckleberry Finn, a sequel to The Adventures of Tom Sawyer, Huck escapes from the clutches of his abusive drunk father 'Pap', and the 'sivilizing' guardian Widow Douglas. After faking his own death in pursuit of freedom, during one of his travels, Huck, encounters Jim, a runaway slave. Together, they embark on an exciting journey along the Mississippi River, meeting different people and participating in their unusual lives. With time, Huck finds himself in a moral dilemma over societal values and his own friendship with Jim. First published in 1884, the book was an indictment of racism, class prejudices and identity conflicts. Regarded as one of the Great American Novels, this timeless classic by Mark Twain is also among the first in American literature to be written in regional English, relying on scathing satire, folksy humour, colloquial speech and coarse language.

A beautiful edition with 174 original illustrations and the cover from the first edition. Mark Twain created the memorable characters Tom Sawyer and Huckleberry Finn drawing from the experiences of boys he grew up with in Missouri. Set by the Mississippi River in the 1840's, this tale is a follow-up to his original book, The Adventures of Tom Sawyer. Huckleberry takes off on a raft down the Mississippi with Jim, a slave seeking his freedom. They run into two con artists, the Duke and the King, as they drift southward, and Huck reunites with Tom Sawyer near the end of the book. The book exposes attitudes prevalent at the times, especially racism, and includes coarse language.

In a radical departure from standard editions, Twain's most famous novels are published here as the continuous narrative that the author originally envisioned. More controversial will be the decision by the editor, noted Mark Twain scholar Alan Gribben, to eliminate the pejorative racial labels that Twain employed in his effort to write realistically about social attitudes of the 1840s. Gribben points out that dozens of other editions currently make available the inflammatory words, but their presence has gradually diminished the potential audience for two of Twain's masterpieces. "Both novels can be enjoyed deeply and authentically without those continual encounters with the hundreds of now-indefensible racial slurs," Gribben explains.
