# Get Free The Dark Side Of Interpersonal Communication

In all interpersonal relationships—friendship, love, family, and workplace—there exists the possibility for what has come to be called the dark side of relationships. In any interpersonal interaction, there exists not only the potential for productive and meaningful communication but also the potential for unproductive and destructive communication.

---

The Dark Side of Interpersonal Relationships - Nursing Guys  
Let's now break down the dark side of the third composite scale - interpersonal, and its three competencies: Interpersonal Relationships, Empathy, and Social Responsibility. The interpersonal composite scale is about how we interact with others; it examines our social graces and social skills.

Dark side behaviors: ☐ Leave impression on people (negative, cognitive) ☐ brain concentrates more on negativity (5 positive factors) ☐ Negative behaviors are unexpected ☐ Expect our partners to show positivity ☐ when negative behavior happens we ask Why?

---

Dark Side - Summary The Dark Side of Interpersonal ...  
By the time Spitzberg and Cupach published the second edition of The Dark Side of Interpersonal Communication in 2007, their treatment of the topic had evolved to thinking of dark and "bright" side behaviors as existing within a four quadrant grid in which the axes represent normatively appropriate vs. normatively inappropriate behaviors and functionally productive vs. functionally destructive behaviors. [7]

The dark side of relationships exists in relation to the light side and includes actions that are deemed unacceptable by society at large and actions that are unproductive for those in the relationship. Lying does not always constitute a dark side of relationships, as altruistic lies may do more good than harm.
