The Disappearance of Childhood by Neil Postman ...

In this book, Neil Postman argues that (a) childhood is a social construct, not a biological fact and (b) childhood is disappearing because of television and modernity in general. The former is debatable but defensible (his exclusive focus on Europe/America leaves significant holes in his argument), but the latter is just ridiculous.

The Disappearance of Childhood: Postman, Neil ...

There is an argument that childhood as we know it is disappearing with the the distinction between adulthood and childhood is narrowing. Neil Postman (1994) argued that childhood is 'disappearing at a dazzling speed'. As supporting evidence he looked at the trend towards giving children the same rights as adults, the growing similarity of adult and children's clothing and even cases of children committing 'adult crimes' (murder, rape).

Is Childhood Disappearing? - ReviseSociology

THE DISAPPEARANCE OF CHILDHOOD. by Neil Postman · RELEASE DATE: Sept. 1, 1982. Postman has swung dogmatically from Teaching as a Subversive Activity (1969) to Teaching as a Conserving Activity (1979) and landed, now, in the coils of social history. His simple, endlessly elaborated theme: "the symbolic area in which a society conducts itself will either make childhood necessary or irrelevant."
