NATO and OECD. 61

Centring on Europe, where the multilateralization of international relations played out more intensely in the mid-20th century than in other parts of the world, it demonstrates a broad range of historiographical and methodological approaches to

File Type PDF

The Economic

institutions in 1939 61

international history.

The book argues that
after several 'turns'

(cultural, linguistic,
material,

transnational),

international history is

now better equipped

to restate its core

questions of policy

and power with a view

to their institutional

dimensions. Making
