The End Of Your Life

As a person's body naturally shuts down and prepares for death, it no longer needs the calories and nutrition that food provides. Despite the normalcy of decreased need for food and liquids nearing the end of life, this is a very distressing event for family members.

12 Signs That Someone Is Near the End of Their Life

When someone's dying, the body slows down and shows signs that the person is approaching the end of their life. Not everyone will have these symptoms. And they can also be caused by other things, particularly if someone has just one or two changes.

The End of Your Life Book Club was not only well written but thought provoking in many ways. Although none of us like to think about the inevitable death of a loved one (or our own), we know those times are going to come. The book was insightful in learning things to say and do, as well as what NOT to say and do for a person who is dying.
