# File Type PDF The Four Human Temperaments The

The Choleric is the least occurring of the four temperaments, and a female Choleric is extremely rare. The traits of the primary temperament, Choleric, may be altered or modified in some significant way because of the influence of the secondary temperament. Remember, there are at least three levels of intensity of a temperament:

# File Type PDF The Four Human Temperaments The

The Four Temperaments It has frequently been emphasized that man's greatest riddle is himself. Both natural and spiritual science ultimately try to solve this riddle — the former by understanding the natural laws that govern our outer being, the latter by seeking the essence and purpose inherent in our existence.
