The alleged hostage situation at Ubisoft Montreal turned out to be a hoax.. According to Le Journal de Montreal, the threat was made by someone inside the building, and there was mention of ransom.Officers inspected the building and found no evidence to support the hostage situation. However, people were still being evacuated as of 4 p.m., with the security perimeter around the building still ...

Argues that the traditions of romance have created unrealistic attitudes about love, have provided only a fragile foundation for marriage, and distort many kinds of interpersonal relations

Named a Best Romance of April by Goodreads, Popsugar, Bustle, and more! ~~A laugh out loud Regency romp!~~~~if you loved the Bridgertons, you'll adore To Have and to Hoax!~~ ~~Lauren Willig, New York Times bestselling author~~ In this fresh and hilarious historical rom-com, an estranged husband and wife in Regency England feign accidents and illness in an attempt to gain attention!and maybe just win each other back in the process. Five years ago, Lady Violet Grey and Lord James Audley met, fell in love, and got married. Four years ago, they had a fight to end all fights, and have barely spoken since. Their once-passionate love match has been reduced to one of cold, detached politeness. But when Violet receives a letter that James has been thrown from his horse and rendered unconscious at their country estate, she races to be by his side!only to discover him alive and well at a tavern, and completely unaware of her concern. She!s outraged. He!s confused. And the distance between them has never been more apparent. Wanting to teach her estranged husband a lesson, Violet decides to feign an illness of her own. James quickly sees through it, but he decides to play along in an ever-escalating game of manipulation, featuring actors masquerading as doctors, threats of Swiss sanitariums, faux mistresses!and a lot of flirtation between a husband and wife who might not hate each other as much as they thought. Will the two be able to overcome four years of hurt or will they continue to deny the spark between them? With charm, wit, and heart in spades, To Have and to Hoax is a fresh and eminently entertaining romantic comedy!perfect for fans of Jasmine Guillory and Julia Quinn.

Argues that the traditions of romance have created unrealistic attitudes about love, have provided only a fragile foundation for marriage, and distort many kinds of interpersonal relations

Book Reviews | The Hoax Of Romance A Spectrum Book

Named a most anticipated romance by Oprah Daily, Marie Claire, BuzzFeed, PopSugar, and more! The author of the ~~hilarious...joyful, elegant!~~ (Publishers Weekly, starred review) To Have and to Hoax returns with an effervescent, charming, and swoon-worthy novel about a man and woman who never agree on anything!until they agree to a no-strings-attached affair in this Regency-era romp. The widowed Diana, Lady Templeton and Jeremy, Marquess of Willingham are infamous among English high society as much for their sharp-tongued bickering as their flirtation. One evening, an argument at a ball turns into a serious wager: Jeremy will marry within the year or Diana will forfeit one hundred pounds. So shortly after, just before a fortnight-long house party at Elderwild, Jeremy!s country estate, Diana is shocked when Jeremy appears at her home with a very different kind of proposition. After his latest mistress unfavorably criticized his skills in the bedroom, Jeremy is looking for reassurance, so he has gone to the only woman he trusts to be totally truthful. He suggests that they embark on a brief affair while at the house party!Jeremy can receive an honest critique of his bedroom skills and widowed Diana can use the gossip to signal to other gentlemen that she is interested in taking a lover. Diana thinks taking him up on his counter-proposal can only help her win her wager. With her in the bedroom and Jeremy!s marriage-minded grandmother, the formidable Dowager Marchioness of Willingham, helping to find suitable matches among the eligible ladies at Elderwild, Diana is confident her victory is assured. But while they!re focused on winning wagers, they stand to lose their own hearts. With Martha Waters!s signature ~~cheeky charm and wonderfully wry wit!~~ (Booklist, starred review), To Love and to Loathe is another clever and delightful historical rom-com that is perfect for fans of Christina Lauren and Evie Dunmore.

'I was down to my last chip, but it never occurred to me not to put it on the line, bet it, and roll the dice one more time . . .' In 1972 Clifford Irving pulled a sensational hoax involving Howard Hughes, a prestigious New York publishing house and over a million dollars. It made global newspaper headlines and was heralded as the biggest media scam of all time. Its dramatic events have now been made into an international blockbuster film starring Richard Gere. In his bestselling book The Hoax Clifford Irving recreates his own audacious literary sting when he and fellow conspirator, Dick Suskind, convinced US publisher McGraw-Hill that Howard Hughes, the reclusive billionaire, had commissioned Irving to write his authorised autobiography. A frantic year ensued while Irving forged letters and passports, faked interviews, set up a Swiss bank account and travelled thousands of miles to maintain his story, all the while desperately trying to juggle a wife, a mistress and an editor. Gradually the cracks in the plot started to appear and the nightmare began as Irving and Suskind realised they were set on a crash course towards indictment, conviction and jail.

Someone tried to kill Kayli Winchester. That someone is going to pay. After going overboard and nearly drowning, Kayli regroups and joins Axel, Corey, Brandon, Marc, and Raven back on board the Lucienda. This time, she's brought reinforcements. Liam and Henry join the team in an all-out hunt for a killer. It can't be too hard; there's only so many places to hide on a cruise ship. But the number of suspects is climbing. Tensions are high, and everyone is on alert, but along the way, there's way too many distractions-very hot distractions. Kayli's done hiding her feelings. She's showing her hand, come what may. She's never held back before she met this team-why start now? But when one of their team members disappears, all clues point to mutiny. Is the team going to fracture because of her? Did someone throw her overboard because of jealousy? Kayli refuses to believe it, but she'll have to provide proof before the murderer finds out she's still alive and comes back to complete the job.

In 1996, Alan Sokal, a Professor of Physics at New York University, wrote a paper for the cultural-studies journal Social Text, entitled 'Transgressing the Boundaries: Towards a transformative hermeneutics of quantum gravity'. It was reviewed, accepted and published. Sokal immediately confessed that the whole article was a hoax - a cunningly worded paper designed to expose and parody the style of extreme postmodernist criticism of science. The story became front-page news around the world and triggered fierce and wide-ranging controversy. Sokal is one of the most powerful voices in the continuing debate about the status of evidence-based knowledge. In Beyond the Hoax he turns his attention to a new set of targets - pseudo-science, religion, and misinformation in public life. 'Whether my targets are the postmodernists of the left, the fundamentalists of the right, or the middle-headed of all political and apolitical stripes, the bottom line is that clear thinking, combined with a respect for evidence, are of the utmost importance to the survival of the human race in the twenty-first century.' The book also includes a hugely illuminating annotated text of the Hoax itself, and a reflection on the furore it provoked.

Noel Chandler had a good reason for leaving the L.A.P.D. for New Orleans, but when he walks into a burned out Garden District mansion, he discovers there are some things he can't outrun. The spooks can find him anywhere. As the resident historian for the cable show Haunts and Hoaxes, Professor Adam Morales keeps an open mind about the supernatural. Or that's what he tells himself, until he meets a man who puts that principle to the test. Noel's smart, sexy, and has killer cop instincts. One glance from his bedroom eyes has Adam ready to believe anything. But is Noel haunted, crazy, or just another hoax? ~~Haunted~~ is set in the Hours of the Night universe but follows new, separate characters and can be read as a standalone.

A fiercely funny, queer romantic comedy about two girls who can't stand each other, but join forces in a grand feminist plan to expose harassment and inequality at their elite private school. Harriet Price is the perfect student: smart, dutiful, over-achieving. Will Everhart is a troublemaker who's never met an injustice she didn't fight. When their swim coach's inappropriate behavior is swept under the rug, the unlikely duo reluctantly team up to expose his misdeeds, pulling provocative pranks and creating the instantly legendary Amelia Westlake--an imaginary student who helps right the many wrongs of their privileged institution. But as tensions burn throughout their school--who is Amelia Westlake?--and between Harriet and Will, how long can they keep their secret? How far will they go to make a difference? And when will they realize they're falling for each other? Award-winning author Erin Gough's Amelia Westlake Was Never Here is a funny, smart, and all-too-timely story of girls fighting back against power and privilege--and finding love while they're at it.
