House of Stairs - Wikipedia

The House of Stairs (first published in 1988) becomes the hedonistic, swinging Sixties, capturing men and women from all walks of life in a lifestyle devoid of form, order or moral code. The house is the metaphor for chaos, in which Ms. Vine explores the minds of psychopathic criminals to the extreme.

A spiral staircase may be the best option for a small room, but remember that the staircase will be narrower and could be more dangerous for young children or older users. The building regulations for spiral staircases are slightly different – if you're going to use a spiral staircase as loft conversion stairs and it's only a secondary staircase leading to one room, then the stair treads themselves must be 60mm wide and no more than 145mm in length.
