Some may want it to end, feeling The Walking Dead has outlived its usefulness, but cash cows are seldom put out to pasture early. Over the ten seasons of The Walking Dead to air so far, dozens and dozens of characters have died, at the hands of zombies, by the doing of humans, and even by disease. The dead have included heroes and villains, main cast members and one-off bit players, all serving to fill the massive graveyard earned by the show.

Originally published in single magazine form as The walking dead #121-132.

From the mind of Robert Kirkman, the legendary comic book auteur and creator of The Walking Dead, comes the complete e-book collection of WALKING DEAD novels steeped in the terrifying mythsos of the Eisner Award winning comic. The first volume, THE WALKING DEAD: RISE OF THE GOVERNOR, explores the heart-wrenching and horrifying origin of the comic world's most infamous villain: Philip Blake, AKA The Governor. Following Blake and his ragtag band of survivors as they carve out a terrifying path through infested subdivisions and rotting cities, RISE OF THE GOVERNOR is a fever dream of a road trip that explores the making of a super-villain, culminating in a mind-bending twist-ending. The second volume in the series, THE WALKING DEAD: THE ROAD TO WOODBURY, delves even deeper into the dark heart of the Governor, taking readers through the fractured looking glass of a small town turned into a deadly dictatorship. As seen through the eyes of a troubled bystander, Lilly Caul, this rotting utopia crumbles under the weight of its own excesses and lurid pastimes. The final installments, THE WALKING DEAD: FALL OF THE GOVERNOR: PARTS ONE and TWO, ties all the narrative strands and back stories together in a roller-coaster finale that spans two books—an epic conclusion that resonates for fans of the comic series in startling ways. Every dark promise made during the Governor's rise to power now pays off in a series of terrifying, dramatic confrontations. When collected as a set, these four installments tell a heart-wrenching and terrifying saga of apocalyptic horror as well as human behavior in the extreme.

Collects the entire arc of the "All Out War" storyline in which Rick leads the survivors in a war against Negan's army.

Just in time for the new season of The Walking Dead on AMC, the fan-favorite, New York Times bestselling series returns with its FOURTH massive paperback collection!
