The West: Encounters and Transformations examines the changing nature of Western civilization – helping students to understand how the definition of the West has both evolved and been transformed throughout history. Focusing on the central theme of cultural encounters, authors Brian Levack, Edward Muir, and Meredith Veldman explain how the West originated and developed through a continuous process of inclusion and exclusion resulting from a series of encounters among and within different ...

~~West, The: Encounters & Transformations, Volume 2~~

Encounters and Transformations features found at intervals throughout the text illustrate the main theme of the book by identifying specific encounters and showing how they led to significant transformations in the cultures of the West. This feature shows, for example, how camels enabled encounters among nomadic tribes of Arabia, which led to the rapid spread of Islam; how the Mayas ...
