The Volvo S40/V40 saloons and estates are often passed over because of their conservative looks and less than exciting drive. But they can be great used buys: comfortable, very safe, with a wide choice of specification, while its image may fall short of Audi A4, BMW 3-Series or VW Passat, S40/V40 makes a convincing case as a classier alternative to Vectra and Mondeo.

Volvo's efforts to build a convincing medium car have brought us the modern V40/S40 series, a huge improvement over the uninspired, stodgy old 440/460 series. Compared with the class-leading Audi A4 and BMW 3 Series, Volvo still has some way to go, but the S40/V40 is far from ordinary and has safety and solidity on its side.

In many ways the V40 makes more sense than it's S40 saloon counterpart. Perhaps we shouldn't be surprised given this is a Volvo, but in that void between the prestige junior executive estates (BMW 3 Series Touring, Audi A4 Avant) and the upper end of the hatch-based vehicles (VW Golf Estate) the V40 reigns supreme.
