The sixth book in this third series, Warriors: Power of Three #6: Sunrise, brings more adventure, intrigue, and thrilling battles to the epic world of the warrior Clans. The secret of Hollyleaf's, Jayfeather's, and Lionblaze's true identities has been revealed, but one shocking question remains unanswered. Now Clanmate will turn upon Clanmate, and one more warrior may be lost forever....

The Clans are in turmoil. ShadowClan has turned its back on StarClan and pledged to follow the dark predictions of Sol, the strange cat who foretold the solar eclipse. But not all the cats have lost faith in their warrior ancestors. . . . Jaypaw is convinced that StarClan still holds an important place in the warrior code, and his search for answers leads him far back into the past, farther back than even StarClan can remember. Lionblaze, tortured by violent dreams and bloody visions, wishes he had never been prophesied to be one of the three but to turn his back on his littermates would be the ultimate betrayal. And Hollyleaf is terrified that once the Clans lose their faith, the warrior code will fall apart. She's willing to fight tooth and nail to preserve it—whatever the cost. And when murder stalks into the heart of ThunderClan, the cats realize that the darkest shadows don't always lie outside the territory.

There will be three. Kin of you kin.... Who hold the Power of the stars in their paws. A secret prophecy shapes the lives of Firestar's grandchildren, but only one of the three knows about it. Jaypaw is captivated by the power it promises, and he believes the key to that power may lie buried in the distant past -- with the ancient cats who once walked these woods and now prowl through his dreams. His search for answers leads him toward the mountains -- the home of the Tribe of Rushing Water. Lionpaw and Hollypaw feel drawn to the mountains too, for different reasons. But the mountains hide secrets as well as answers, and if the three cats find a way to get there, they may discover more than they ever expected.

After discovering the destiny of the Clans in their paws, Firestar's three grandchildren learn about their powers as a dark prophecy approaches. Reprint.

Erin Hunter's #1 nationally bestselling Warriors series continues in Warriors: Power of Three! The first book in this third series, Warriors: Power of Three #1: The Sight, brings more adventure, intrigue, and thrilling battles to the epic world of the warrior Clans. Hollypaw, Jaypaw, and Lionpaw—grandchildren of the great leader Firestar—possess unusual power and talent. But secrets and uncertainty surround them, and a mysterious prophecy hints at trouble to come. The warrior code is in danger, and these three apprentices will need all of their strength to help the Clans survive.

The three children of Squirrelflight and Brambleclaw, grandchildren of the great leader Firestar, have thrived in their apprenticeships: Lionpaw's strength and energy serve him well as a warrior in training, Hollypaw hones her understanding of the warrior code, and Jaypaw explores his mysterious powers and connection to StarClan as the medicine cat apprentice. With more experience comes both power and danger: Lionpaw makes a friendship—and a discovery—that must be kept hidden; Jaypaw learns a secret that could benefit ThunderClan by damaging others; and Hollypaw knows something that could avert a battle, if she could convince the rest of her Clan. The three are torn apart as each discovers darkness: in themselves, in the Clans, and in the past. And, as conflict begins over what it means to be a warrior, rising tensions threaten to overflow, washing away the peace that has existed for many moons.
