Political Theory is a distinct field within the discipline of political science. Political theorists tend to focus more on theoretical claims rather than empirical claims about the nature of the politics. Normative political theory is concerned with questions about such concepts as justice, equality, and rights.

Political Theory | A Political Science Guide
A political theory is an explanation or account of politics that aspires to be comprehensive and definitive. The idea is not merely to observe and describe various kinds of political regimes and situations, but to articulate the very essence and meaning of the political.

What is political theory? - Quora
Political theory is an interdisciplinary endeavor whose center of gravity lies at the humanities end of the happily still undisciplined discipline of political science.

Overview of Political Theory - Oxford Handbooks
Political Theory is a hypothesis about what is "political", the science and theory of what is Political. George Sabine says, "It is anything about governmental issues or applicable to legislative issues". The major functions and significance political theory This being the more extensive significance, he alludes to its thin importance, saying that it is "the trained examination of political issues" (A History of Political Theory, 1973).

Explain the major functions and significance political ...
Political philosophy, also known as political theory, is the study of topics such as politics, liberty, justice, property, rights, law, and the enforcement of laws by authority: what they are, if they are needed, what makes a government legitimate, what rights and freedoms it should protect, what form it should take, what the law is, and what duties citizens owe to a legitimate government, if any, and when it may be legitimately overthrown, if ever.

Political philosophy - Wikipedia
Political philosophy, branch of philosophy that is concerned, at the most abstract level, with the concepts and arguments involved in political opinion. The meaning of the term political is itself one of the major problems of political philosophy. Broadly, however, one may characterize as political all those practices and institutions that are concerned with government.

political philosophy | Definition, History, Theories ...
Political science as an art. It was Machiavelli who described ' politics is an art, political theory is the statecraft or the management of power. ' With the emergence of post-modernism it has been realized that political theories are neither philosophy nor science. They are interpretations.
