"Repair Manual" a definite major contribution to our understanding of what makes great teachers and how to structure a student centered classroom that excites and engages students and their parents in learning. By releasing teachers' voices willingness to break the silence---the text challenges and explodes the myth of the anti-intellectual teacher by the reader journeying with teachers way beyond the drab dribble of professional staff underdevelopment to becoming warrior intellectuals in charge of their own destinies thus laying a foundation for

student emulation. It also reveals teachers as life-long learners with an insatiable thirst for knowledge." ---Winthrop R. Holder, social studies teacher and author of Classroom Calypso: Giving Voice to the Voiceless Exit Narratives examines what constitutes good teaching and engaged learning and how to use this knowledge to support teachers in their efforts to create learning environments that encourage academic mastery and nourish students as social beings. The authors explore a range of issues: why they became teachers, their first years of teaching, what worked for

Crash Politics and Antiracism argues that race and racism continue to script the social fabric in Euro-North America. While dominant discourses claim that we have made significant progress away from racial bigotry, there is no shortage of evidence that inequitable ideologies of race prevail. Similarly, mainstream cinematic productions have mass appeal, yet tend to demonstrate and cement the racial ideologies that circulate in society. As such, they can be used either for the propagation of dominant ideologies or in

the development of critical consciousness. Crash Politics and Antiracism does the latter, understanding the award-winning film Crash as an especially interesting pedagogical site, for while to many it offers a fresh analysis of race and racism, the antiracist analyses in this book suggest that it recycles oppressive understandings of race. The essays in this collection, written from a variety of racial locations, provide readings of Crash that seek to disrupt the movie's subtle messages and, more importantly, some of the intractable liberal notions of race that perpetuate

New York Times and USA Today best-selling author Cynthia Eden continues her dark and sexy "Mine" romantic suspense series with...MINE TO HOLD. She was one man's obsession... Nine years ago, Claire Kramer's lover brutally killed her family, and he tried to kill her. She escaped, but she's been haunted ever since that attack. Too afraid to trust another man and too worried that her past will catch up with her, Claire never gets too close to anyone. But then she meets Noah York. He must have her. Noah York is a man with secrets. The world sees him as a

billionaire hotel tycoon, but Noah has a dark and dangerous side. For years, he worked covert military operations before he built his fortune. When it comes to death, Noah is a master. He knows that he should steer clear of Claire, but the white-hot attraction Noah feels for the delicate beauty is instant—and consuming. He will never let her go. Someone else is just as consumed by Claire—someone who will kill to possess her. And if Noah can't stop the hunter in the darkness, he may just lose the one woman that he can't live without. Author's Note: MINE TO HOLD is a dark and
