Be proud of Life's battle scars, it means you were stronger than whatever hurt you, and you didn't die—and Anita Blake, Vampire Hunter and U.S. Marshal will be the first to show you hers in this sweet and sexy story of celebration and connection from #1 New York Times bestselling author Laurell K. Hamilton. Anita attends the wedding of her close friend but finds that even on the happiest of days there are wounds that need healing. She and the wereleopards Micah and Nathaniel are asked to talk to the bride's thirteen-year-old brother, Tomas, who is struggling to recover from a recent gunshot wound. Depressed and demoralized, Tomas isn't doing his physical therapy and could spend the rest of his life in a wheelchair... How can Anita, Micah, and Nathaniel convince Tomas that he can heal when he's given up? They tell him about their own scars and how they took back their own lives after they were wounded. And Anita will realize how lucky they are to have not only survived their pasts, but to now be able to make their own formal commitment to each other—and the vampire in her life... Includes an excerpt of the new Anita Blake hardcover, Crimson Death. Praise for the Anita Blake, Vampire Hunter series "Hamilton remains one of the most inventive and exciting writers in the paranormal field."—#1 New York Times bestselling author Charlaine Harris "If you've never read this series, I highly recommend/strongly suggest having the Anita Blake experience. Vampires, zombies, and shifters, oh my! And trust me, these are not your daughter's vampires."—Literati Book Reviews

HER FIRST EIGHTEEN YEARS WERE FILLED WITH LIES. SHE IS ABOUT TO DISCOVER THE TRUTH. Eighteen-year-old Seven and her best friend, Ten, live where all is peaceful ... except for the violent war raging above the sky. Lifelike humanoid robots and self-operated drones tend to everyone's needs, leaving people free to spend their time stimulating their minds and enjoying life's pleasures. But there are strict rules and few choices. Every year, on Assignment Day, the path of each eighteen-year-old's life is laid out. Some are given the jobs for which they have shown exceptional aptitude and are "paired" for mating. The others are sent off to fight in The War and never return. When Assignment Day comes for Seven, the assignments shatter everything she's ever believed. The rules force everyone to accept their fates, but Seven decides to do something unprecedented: to go against the Decision Makers' wishes. ABOVE THE SKY tells the story of a girl who grows up in a dystopian future society founded on lies. Filled with constant suspense, surprising twists, forbidden romance, imaginative adventure, and thought-provoking philosophy, ABOVE THE SKY is perfect for readers who enjoyed THE HUNGER GAMES (by Suzanne Collins), DIVERGENT (by Veronica Roth), THE MAZE RUNNER (by James Dashner), ENDER'S GAME (by Orson Scott Card), and THE GIVER (by Lois Lowry). Praise for ABOVE THE SKY: "Quality writing ... 5 stars." -- Anger, The Spank and Ginger Show "A phenomenal story! ... Kept me guessing page after page ... A must read!!" -- Amanda, Goodreads "O.M.G. This book was AWESOME! ... An epic read ... Lynne writes a bestseller ... If you are a fan of YA dystopian fiction, and love books like The Hunger Games, Divergent, and The Maze Runner, this book is right up your alley ... Five stars!" -- Stephanie, Goodreads

This book provides an integrated multidisciplinary index of clinical conditions and presentations, guidelines for clinical problem-solving, and covers legal, ethical and organisational aspects of clinical medicine. It is an essential aid for the medical graduate. -- Cover.

Uses the tools of Conversation analysis to show how the decisions of the ExComm were made during the Cuban Missile Crisis, based on audio tapes made by President Kennedy.

Fighting for love, honor, and freedom on the galaxy's lawless outer rim... Space marine Blaine Strong enjoyed being a composed, controlled member of space station security...until he was abducted by alien slavers. Forced into underground fight rings and pumped full of drugs, he's now seething with anger and out for revenge. Rescued by gladiators and fellow humans on the desert world of Carthago, Blaine is fighting to be the man he once was. But when the House of Galen is attacked, he must focus on joining the gladiators to fight back. That means teaming up with a tough, competitive female gladiator who not only challenges him at every turn, awakens a fierce desire he's never felt before, but a woman who can sense the churning emotions inside him. Gladiator Saff Essikani is the best net fighter in the Kor Magna Arena. Raised from young to fight, she bows to no man and uses her empathic abilities to win at whatever cost. With her House targeted and people under their care threatened, she'll stop at nothing to find those responsible. But then she finds herself face to face with a big, tortured man from Earth who affects her like no man before. As Saff and Blaine head into the desert to uncover a conspiracy, their incendiary desire flares hotter than the desert suns. But as Blaine's angry emotions rage out of control, Saff knows that unless he learns to embrace the man he is now, he has no chance of survival.

The Country Gyal Journal is a compilation of diary entries for a character name Terry who moves from the country into kingston to work as a caregiver for a elderly ailing lady. She falls in love with the lady's son who rapes her six weeks after being in his employ. Terry writes down the stories of her life's journey in this Journal.
