A yo-yo (also spelled yoyo) is a toy consisting of an axle connected to two disks, and a string looped around the axle, similar to a spool. It is played by holding the free end of the string known as the handle (by inserting one finger—usually the middle or index finger—into a slip knot), allowing gravity (or the force of a throw and gravity) to spin the yo-yo and unwind the string (similar ...

## Yo-yo - Wikipedia

I somehow married a woman who isn't able to work a yo-yo any more than I could, ... So there you have it: Solid proof that you can, indeed, teach an old dog new tricks. Or one old trick, at least.

Fifty popular Yo-Yo tricks along with an illustrated history of the toy and its variations plus tips for keeping your Yo-Yo in top condition. Helpful diagrams accompany the easy instructions.

Championship Yo-Yo Tricks is a great kit for older children, teens, and adults. The stylish box with a reflective foil cover contains a 64-page paperback book PLUS two brilliant yo-yos -- a plastic one with flashing lights and a traditional wooden one. The book describes 32 tricks. Each one has step-by-step instructions and clear black-and-white illustrations. The tricks are ranked easy to hard, so as you progress through the book you master increasingly challenging tricks. Spinning yo-yos is fun and exciting and brings with it all sorts of practical "spin-offs" -- from improved hand-eye coordination to the ability to hold a party audience spellbound!

The Ultimate Guide to Yo-Yo Tricks is not just a book of tricks; this is the how-to book for yo-yo enthusiasts and beginners alike. This essential guide features tons of lessons to get yo-yo novices set up as well as insider tips to help seasoned yo-yoers hone their skills. It addresses pertinent topics such as the anatomy of the yo-yo, the basic terminology, the science behind the toy, as well the lingo spoken by those in the inner circle. In addition to the instructions are cool black-and-white illustrations and diagrams that give readers visuals to aid in trick development and mastery, and instructions to teach yo-yoers more than four dozen awesome tricks, including classics like "Around the World" and "The Sleeper" to more advanced, lesser-known tricks like "The Houdini Drop" and "Splitting the Atom." Start becoming a master today with the sage wisdom in The Ultimate Guide to Yo-Yo Tricks.

Life is full of challenges. There are times when you will feel like you've done everything to the best of your ability, but in the end, it still didn't work. Have you ever wondered why? Was it because life is unfair, or was it because you were actually "expecting the worst"? Have you considered expecting the best instead? You may think, "Of course, I considered great things to happen!," but science says otherwise. People who are preparing for something are found to be thinking more of the bad things that could happen than the positive outcomes. More often than not, thinking about unfortunate events actually make it happen. Hoping that you will not be late for a meeting will cause you to be late. Thinking of saying a complex sentence inappropriately actually makes you tongue-tied. Do you know why? It is because your thoughts have the power to change things and events. In this book, you will learn how to master positive thinking by learning about the power of thought and the Law of Attraction. With these core principles, this book will teach you ways on how to think positively by hacking your body, your speech, and your actions. You will know about scientific studies that proved the benefits of positive thinking. You will also be introduced to the successful life teachers who used positivity to become successful. Finally, you will be provided with step-by-step guides on how you can do it yourself. You are on your way to becoming a positive person who will enjoy living a good life by spreading the positive vibrations to the world! After downloading this book you will learn... Chapter 1: The Power of Thought Chapter 2: Mind over Body: The Power of Expectation Chapter 3: Mind over Matter: The Power of Intention Chapter 4: Mind over Society: The Power of Mental Communication Chapter 5: The Law of Attraction Chapter 6: Become a Positive Thinker: Start with Your Body Chapter 7: Become a Positive Speaker Chapter 8: Become a Positive Doer And Much, much more!
